**Missing/Stolen Prescription Pad Report Form**

**Incident Date:** 11/23/13

**Date Reported to Board:** see below, today's date 12/4/13

**Prescribers Name:** Amanda Yee *AY*

**Prescriber Specialty:** internal medicine

**Prescriber Contact Information:** 301-204-0644

**Maryland County / ZIP:** 20904

**Description of Incident:**

I was called on 11/23/13 by a Prince George's county police officer that told me someone named Russell Phillips was trying to use my prescription illegally. Since I work in Anne Arundel Medical Center in Annapolis, he advised me to meet with an Anne Arundel police officer. I met with Officer M.C. Gibson in at Anne Arundel Medical Center and reported it to him and that my prescription pads were stolen. I called the DEA office later that day and left a message 2 days in a row. I later got a response from them a few days later and was told to speak with the Board of Pharmacy instead. I left a message for them since they were away until Monday 12/2/13 for the Thanksgiving holiday. In the mean time on 11/26/13 I called local pharmacies in Anne Arundel and Prince George's county to let them be aware of this incident. I later got a call from the Board of Pharmacy on 12/2/13 telling me to fill out this form.
